Only a couple blocks away from the annual Halloween Parade's, comes Babel's New York Witches & Hoes Party. Babel recently got a lot of acclaim for their Parisian Ball on Governor's Island and the McKittrick Hotel (Sleep No More) might be an event better event space to build the mood. Orazio Rispo (Resolute) & Julio Santo Domingo (Sheik'n'Beik), as well as special guest Claptone, will bring the music to the party plus they're promising a lot of surprises
